Official Statement of Faith

1. The Bible

We believe that the contents of the Bible are inspired by God, that they are supreme and have authority to give instruction for right living. If interpreted correctly, they can help people renew their minds. **(2 Timothy 3:16)**

2. The Nature of God

We believe that God, expressing Himself through humans, demonstrates His divine nature. The Father (the generated thought), the Son (the image expressed through the flesh), and the Holy Spirit (separate behavior). **(2 Peter 1:4)**

3. Jesus the Anointed

We believe that Jesus the anointed was conceived by a young woman named Mary, who was anointed. Jesus was the example of man created in the image of God. **(Luke 1:35; Genesis 1:26; Matthew 28:18)**

4. Sin and Separation from God

We believe that mankind sinned or is still in sin, thereby separating themselves from God. All human beings are born sinless, but their minds were corrupted by other humans who were separated from God, inputting their sinful ideas on them. **(Romans 3:23; Romans 5:12)**

5. The Sacrifice of Jesus

We believe that the Lord Jesus the anointed felt separated from God because of our sinful behavior according to the Scriptures. He was a representative and a perfect sacrifice in our place because we didn't want to be a living sacrifice. All who believe in Jesus' actions are justified on the ground of His shed life and right living. **(Isaiah 53:5-6; Romans 3:22; Romans 5:1)**

6. The Resurrection and Mediation of Jesus

We believe Jesus the anointed was risen from his crucifixion, and he was raised out of his disciples' sight. Through reading scriptures, he can be our great High Priest, Advocate, and mediator between God and man. **(Acts 1:9; Hebrews 4:15; I John 2:1)**

7. Spiritual Growth and Reconciliation

We believe those who are currently close to God (“thriving in God”) will not advance ahead of those who are currently distant from God (“separated from God”). Instead, all individuals, regardless of their current spiritual state, will ultimately be reconciled with God and come to a deeper understanding or appreciation of spiritual truths. **(I Thessalonians 4:13-17)**

8. Salvation and the Holy Spirit

We believe that salvation is present, but not understood through faith, and that all who receive by faith the character of God are born again, possess the separated behavior of God, and thereby become children of God. The Holy Spirit indwells all believers. **(Ephesians 2:8-9; Romans 8:9)**

9. Baptism and the Lord’s Supper

We believe in the spiritual significance of Baptism and the Lord’s Supper, which are revealed to all who seek divine understanding. They provide an imagery of faith regarding the believer’s identification and fellowship with the anointing. **(1 Corinthians 11:23-30; Acts 22:16; Mark 16:16; Matthew 28:19)**

10. The Church and Its Mission

We believe the church is the body of called individuals. Its mission is to make their testimony known to every person and to teach those who become students all of the things that express the image of God so that they may adequately serve Him. **(Matthew 28:19-20; I Corinthians 12:12-20)**
